

# De Hoop Red Travertine FBS

CLASSIFICATION

FBS

TEXTURE

A light textured finish with a natural clay grain appearance.

Choose clay face bricks for their unmatched durability, timeless beauty, and excellent thermal insulation, all while requiring no maintenance, ensuring your building stands the test of time with minimal effort.

Variations in color, texture and size are natural from the natural clay, and variations can occur from batch to batch. While every effort is made to provide a product consistent with product photographs, this should be viewed as a guide only.
